Descendants of Sandiacre Doars

First Generation

1. William DOAR [2369],¹ son of **Richard DOAR** [2420] and **Elizabeth LYMB** [2421], was born about 1720,² died on 17 Nov 1795 in Sandiacre^{3,4} about age 75, and was buried on 19 Nov 1795 in Sandiacre.⁵ Another name for William was William DOOR.

General Notes: Have placed him tentatively as Richard and Elizabeth's son based on scarcity of known Sandiacre Doars at the time and the est birth date and children's names.

William married **Katherine TAYLOR** [2370]^{1,8} [MRIN: 721], daughter of **William TAYLOR** [2406] and **Elizabeth HALAM** [2973], on 5 Oct 1747 in Sandiacre.^{6,7} Katherine was born on 24 May 1719,^{9,10} was christened on 30 May 1719 in Sandiacre,¹¹ died on 5 Jul 1792 in Sandiacre¹² at age 73, and was buried on 8 Jul 1792 in Sandiacre.^{13,14}

Noted events in her life were:

- In 1805 a Letter of Administration was granted to her son William Door. It raises some questions about her and her husband's dates of death as it shows her dying "in June 1793" described as "widow".¹⁵

Children from this marriage were:

- + 2 M i. **William DOAR** [2476] was born on 15 Jun 1748 in Sandiacre,^{16,17} was christened on 17 Jul 1748 in Sandiacre,^{18,19} and was buried on 7 Jun 1817 in Stanton by Dale.²¹
- + 3 F ii. **Elizabeth DOAR** [2414]²³ was born on 30 May 1750 in Sandiacre¹⁶ and was christened on 25 Jun 1750 in Sandiacre.^{24,25}
- 4 F iii. **Mary DOAR** [1191] was born on 10 Nov 1752 in Sandiacre,^{27,28} was christened on 14 Nov 1752 in Sandiacre,²⁹ died on 28 Aug 1758 in Sandiacre^{30,31} at age 5, and was buried on 30 Aug 1758 in Sandiacre.³²

General Notes: Death is tentative for this Mary but only a few candidates and most likely to be the youngest Mary.

- + 5 M iv. **Richard DOAR** [2363] was born on 24 May 1755 in Sandiacre,^{33,34} was christened on 22 Jun 1755 in Sandiacre,³⁵ and was buried on 11 Mar 1828 in Sandiacre.³⁶
- + 6 F v. **Hannah DOAR** [2415] was born on 22 Nov 1758 in Sandiacre¹⁶ and was christened on 16 Dec 1758 in Sandiacre.³⁸
- 7 F vi. **Katharine DOAR** [2403] was christened on 22 Mar 1761 in Sandiacre⁴¹ and was buried on 3 Apr 1814 in Sandiacre.⁴²

General Notes:

It is likely that she looked after William, possibly in the Sandiacre home of her parents and then on their death in the Stanton home of her brother William. She didn't marry and paid for his apprenticeship.

From the indenture papers "William Doar nephew of Catharine Doar of Sandiacre in the County of Derby doth put himself Apprentice to William Coxon of Sandiacre in the County of Derby Cordwainer AND the said Master for and in Consideration of the sum of Four Pounds Fourteen Shillings and Sixpence to him in hand well and truly paid by the said Catharine Doar....."

Noted events in her life were:

- In 1871 she is described as living in Sandiacre.⁴³
 - For some time before her death in 1814 she must have resided in Stanton by Dale. Her burial entry states "of Stanton" as does her Letter of Administration 1804. It is likely she moved there after the deaths of her parents.⁴⁴
- + 8 F vii. **Millicent DOAR** [2367]⁴⁵ was born on 4 Aug 1763 in Sandiacre¹⁶ and was christened on 18 Sep 1763 in Sandiacre.⁴⁶

Second Generation

2. William DOAR [2476] (*William¹*) was born on 15 Jun 1748 in Sandiacre,^{16,17} was christened on 17 Jul 1748 in Sandiacre,^{18,19} and was buried on 7 Jun 1817 in Stanton by Dale.²¹

General Notes: His 1817 will refers to him as William Doar of Stanton, farmer, and mentions his wife Elizabeth, his

Descendants of Sandiacre Doars

son William Doar "the younger" and "the farm in my occupation at Stanton". The signature seems to be the same as that for William Door, son of Katherine on her Letter of Admin 1814 - RB20050616.

Noted events in his life were:

- On 31 Dec 1804 a Letter of Administration was granted for estate of Catherine Door to her natural and lawful son William Door. His reasonably elaborate signature on this document is more or less identical to that of William Doar of Stanton by Dale on the will he made shortly before he died in 1817.⁵⁰
- On 1 Jun 1817 he signed a will arranging to leave 30 pounds per annum to wife Elizabeth and the bulk of his estate to his son "William the Younger". Both he and his son are described as "William Doar of Stanton by Dale, Farmer" in these documents.
- In also signed a codacil to the 1817 will.

William married **Elizabeth HOOD** [2405]²² [MRIN: 734] on 9 Dec 1779 in Sandiacre.²² Elizabeth was born in 1755⁵² and died on 3 Apr 1840 in Stanton by Dale⁵³ at age 85. The cause of her death was Climactoric Decay.

10 F ii. **Elizabeth DOAR** [2743].^{61,62}

General Notes: No real evidence for this Elizabeth being daughter of Wm and Elis except name, place and age and lack of other suitable candidates. Will do until proven wrong!

Elizabeth married **William RILEY** [2744]⁶⁴ [MRIN: 842] on 25 Sep 1797 in Stanton by Dale.⁶³

3. Elizabeth DOAR [2414]²³ (*William¹*) was born on 30 May 1750 in Sandiacre¹⁶ and was christened on 25 Jun 1750 in Sandiacre.^{24,25} Another name for Elizabeth was Eliza DOOR OR DORE.

Elizabeth married **John GOFF** [2407]⁶⁵ [MRIN: 735], son of **Thomas GOFF** [3127] and **Eliz.** [3128], on 20 Oct 1778 in Sandiacre.²⁶ John was christened on 16 May 1752 in Sawley And Long Eaton, Derby.⁶⁶

General Notes: In 1783 there on IGI there is a John Goff born to John and Mary Goff and baptised Sandiacre. It is possible that Elizabeth died and John married her sister Mary.

The child from this marriage was:

11 F i. **Elizabeth DOAR** [2741] was born on 30 Apr 1778 in Sandiacre⁶⁷ and was christened on 12 Jul 1778 in Sandiacre.⁶⁸

General Notes: This seems the most likely Elizabeth to be the mother - about the right right age and married immediately afterwards

5. Richard DOAR [2363] (*William¹*) was born on 24 May 1755 in Sandiacre,^{33,34} was christened on 22 Jun 1755 in Sandiacre,³⁵ and was buried on 11 Mar 1828 in Sandiacre.³⁶

Descendants of Sandiacre Doars

of a childless gap after marriage, and John's children's names are roughly what would be expected. Not really any other Sandiacre contenders.

General Notes: See notes for Richard b 1835 - may have them mixed up!

15. Richard DOAR [2438] (*Richard*², *William*¹) was born Cal 1791⁹⁵ and was buried on 1 Dec 1831 in Sandiacre.⁹⁶

General Notes: Tentatively placed as son of Richard and Martha but DOB slots in perfectly and if we assume that Martha's father was Thomas then Richard is a likely choice for next male child.

Noted events in his life were:

- In 1838 at the time of his daughter Ann's marriage he was described as a Lacemaker.²⁸⁶

Richard married **Margaret BLASDALE** [2439] [MRIN: 744], daughter of **Private** and **Margaret COMAN** [3325], on 23 Nov 1812 in Arnold, Notts.^{97, 98, 99} Margaret was christened on 14 Aug 1785 in Arnold, Notts²⁸⁷ and died Oct to Dec 1842 in Shardlow.²⁸⁸ Another name for Margaret was Peggy.

General Notes: The Peggy Blasdale marriage seems likely - a bit far away but the date fits perfectly and there are no baptisms recorded for Richard and Peggy in Notts.

Noted events in her life were:

- In 1841 she was a widow described as a Grocer and was living with sons James and William in Sandiacre.⁷⁶

Children from this marriage were:

- + 52 M i. **George DOAR** [2440]^{289, 290, 291} was christened on 11 Jul 1813 in Sandiacre²⁹² and died from Jan to Mar 1893 in Basford.²⁹³
- + 53 M ii. **John DOAR** [2441]²⁹⁶ was christened on 21 May 1815 in Sandiacre^{297, 298} and died from Jan to Mar 1893 in Shardlow.²⁹⁹
- 54 F iii. **Frances DOAR** [2529]³⁰³ was born Cal 1817 in Sandiacre³⁰⁴ and died Oct to Dec 1894 in Shardlow.³⁰⁵

General Notes: Put her tentatively here as child of Richard and Margaret. Dates agree, she has a child Margaret and DA said her father was Richard.

From CA.....

Marmaduke and Frances had a boarder living with them in 1851 - William DOAR, born about 1829 in Sandiacre. He was described as Marmaduke's brother in law. Frances had a brother William Richard who was born about that time. This would tend to confirm the theory that Frances was the daughter of Richard and Peggy.

Frances married **Marmaduke ATKIN** [2530]³⁰⁷ [MRIN: 764], son of **William ATKIN** [3283] and **Mary ATTENBOROUGH** [3284], on 23 Dec 1838 in Sandiacre.^{243, 306} Marmaduke was christened on 27 Nov 1814 in Stapleford, Notts^{308, 309} and died Apr to Jun 1902 in Shardlow.³¹⁰

General Notes: I have had a little trouble unravelling the Anns of about this age. Originally I thought I had lost this Ann after 1881 and had assumed the 1891 and 1901 entries were Ann b Shardlow 1847. This seems to fit much better with all entries b Sandiacre and mostly her name given as Anna. Her age gradually reduces over the years until 1901 when she adds a few years back.

Note there is a freebmd Ann Doar death in 1901 but the age fits Ann Barrowcliff b 1837 a bit better.

General Notes: 20050614 - 1861 census shows Millicent's son John living with William Hampson (26 b SbyD) and Eliza (27 b Sandiacre). Eliza is likely to be the Elizabeth born to W&M 1832. In 1851 she is shown as "Eliza" and is living with her parents and her nephew John.

It looks like John could be the John shown as son on 1841 census as son of William and Mary Coxon, shown as "grandchildren" 1851 and "boarding with uncle" (which uncle?) in 1861, and working as an Ironstone Miner and lodging at Dale Abbey 1871 and 1881. No trace in 1891 but possibly in the Nottingham Workhouse 1901. This would make it likely that Millicent is the daughter of William and Mary Coxon and grandniece of the earlier Millicent.

Millicent had a relationship with **UNKNOWN** [246] [MRIN: 941]. Marriage status: unmarried.

Their child was:

47. Emma DOAR [2434] (*William*³, *Richard*², *William*¹) was christened on 29 Mar 1828 in Sandiacre,^{270, 271, 272} died on 10 Nov 1903 in 220 Chapel St, Prahran, Melbourne²⁷³ at age 75, and was buried on 11 Nov 1903 in Kew Cemetery, Melbourne.²⁷⁴ The cause of her death was Apoplexy - 3 days.

General Notes: I found the baptism record for Harriet on LDS church records for Sandiacre. I think there are two Harriets. One a sister of Emma who is older than Emma's daughter and one, her illegitimate daughter who accompanied Mark and Emma to Australia. Mark and Emma arrived in Hobart 11 February 1860 on the steamer "City of Hobart" from Melbourne, steerage. A Note Indicates that they were from ship "George Hilton." They arrived with children Emily (Mark's daughter with Sarah Alcock) Harriet (mentioned above) Susan (whom I thought was a daughter of Sarah and Mark, but have learned was registered in Nottingham in July 1857 as daughter of Mark with Emma claiming to be his wife.) The baby born at sea on the Hilton was not named, but the captain of the Hilton registered him when the ship arrived in Melbourne. I have copy obtained from Melbourne birth records. This child is John Thomas (Jack) Glann born 15 November 1859 at sea. On this record, Emma gave the date of her marriage as 4 April 1847. This is how I found his marriage record to Sarah in Nottingham. Obviously, the couple lied and claimed all children as theirs. I am not even sure if Harriet who married Alexander Files in Tasmania 1876 and Emily who married George Coker even knew or more to the point informed their families of the truth. I was in touch some years ago with some descendants who believed that they were descended from Mark and Emma. I will try to find that correspondence. Emma also lied on daughter's (Grace) birth certificate giving her maiden name as Alcock, further

Descendants of Sandiacre Doars

evidence that we have the correct couple.

Emma and Mark had at least 9 children my grandfather Laurie Ephriam was one of them. I have not found proof of Harriet's father. I have found Sunday School records from Tasmania on LDS film Methodist Church Records LDS 0992651 that Emily and Harriet Glann were registered in Sunday School New Norfolk 1860. Mark Glann's brother John was murdered in Tasmania 1861 and Mark's nephews are registered in same Sunday school class. The brother was a former convict whose wife had died and was killed by the husband of the woman he was having an affair with according to his descendants who still live in Australia. But since they are not yours, I will get back to Emma. I think having a brother in Tasmania may be part of the reason Mark and Emma decided upon Tasmania as their destination. They left from Southport, England. I think the family tried farming but then moved to Melbourne from McQuary Plains after the birth of William Richard Glann in January 1870. Emily and Harried married in Tasmania. Susanna lived in Melbourne. Emma died 10 November 1903 in City of Praham County of Bourke Victoria Australia. On her death certificate, her children are listed as Susannah, dead; John, dead; Maria, dead; George, dead; Lawrence, age 38; Grace, 36; Agnes, 35; Richard, 33; and Emma, dead. Emily is omitted from this list. At the time of her death and information was given by her son-in-law, Thomas Kemp, 220 Chapel Street, Praham. Emma is buried with daughter Maria Elizabeth and granddaughter Emma Isabel age 14 in Kew Cemetery. She is given as owner of this grave, denomination or section Baptist, compartment B, number 204. There is no headstone. I cannot figure out why Mark is not buried with her. Do you know this cemetery? Gardiner In daughter Emma Isabelle's birth record, Emma's place of birth is given as Derbyshire and her name formerly Doar. I am really interested to know if Emma and Mark married. I do not have a record of Sarah Alcock's death.

*General Notes: Another member of the clan was Bob Doncaster who rose from school monitor to become Sir Robert Doncaster O. B. E. . . George Carrington also did rather well to rise from a stoker to a foreman fitter at what was to become the biggest railway marshalling yard in England. The 1901 Census shows that Elizabeth employed a servant, Annie Wilcox Aged 14.

The cause of his death was Senile Decay.

Noted events in his life were:

- In Oct 1837 t the time of his marriage he was described as a Shoemaker of Sandiacre.⁷⁴⁹
- In 1846, at the time of his son John's birth, he was shown as a Cordwainer in Sandiacre. This was the craft of his father.⁸¹⁵
- In 1851 he was a Shoe Maker in Doars Row, Sandiacre.^{313, 816, 817}

William married **Mary Ann SMEDLEY** [33]^{393, 823} [MRIN: 15], daughter of **John SMEDLEY** [1132] and **Ann COOK** [3827], on 31 Oct 1837 in Sandiacre, Derby, England.^{424, 425, 426} Mary was born Cal 1816,^{824, 825} was christened on 20 Feb 1816 in Sandiacre,^{826, 827, 828} and died on 7 Jul 1894 in Ash House, Sandiacre, Derbys^{829, 830} about age 78. The cause of her death was Senectus (Old Age).

General Notes: There is still some doubt as to which John Smedley was Mary's father. The two main contenders are JS1 b1795 Sandiacre and JS2 b 1787 Sawley. JS1 seems to be the most likely candidate with close connections with the Doars throughout the 19C.

- *The families were of similar social standing and lived often in the same main street if not next door. MAS' granddaughter married Frederick William Smedley in 1909 (the names FW is common in the Doar family as well)*
- *JS1 was a widower when he married Hannah in 1822*
- *there is a Sandiacre marriage between a JS and Ann Cox "both of this parish" in Nov 1815. This is a bit close to MAS' baptism in Feb 1816 but possible.*
- *Census and death ages indicate that JS1 would have been about 20 and a half at the time of this marriage. A bit young but not improbable if MAS was pregnant.*
- *I have found no other record of children to a JS and Ann around this time strengthening the case that Ann Cox may have died after MAS' birth.*
- *On MAS' marriage certificate her father is shown as "Lace Manufacturer" as for JS1 (not FWK as for JS2 in 1851, 1861)*
- *In 1851 JS2 is widowed and living with married daughter Martha shown as born "Breaston" 1822. There is a*

Descendants of Sandiacre Doars

Martha Smedley bapt. Aug 1822 "Beeston" parents John and Mary which would fit with JS/Mary Wilmot marriage Risley Feb 1822. there are no more Beeston references to this family (maybe 1841C will help?)

On the other hand

- the will of JS1 1870 refers only to "my two children" William and Ann Jane. This may be because William was the primary heir and AJ was single and dependant. I haven't been able to confirm any other of his children were alive in 1870.

- there was plenty of time for JS2 to have married prior to 1822 - he was about 35

Noted events in her life were:

77. Joseph DOAR [2486]^{445, 446} (*William⁴, William³, William², William¹*) was born on 26 Mar 1841 in Stanton by Dale,^{447, 448, 449, 450} was christened on 24 Feb 1842 in Stanton by Dale,⁴⁵¹ died on 30 Dec 1899 in Makaretu, New Zealand ^{175, 452, 453} at age 58, and was buried in Pendle Hill, Private Cemetery.¹⁷⁵

Death Notes: "He died in 1898 at Pendle Hill when the river was in full flood. As there was no way of getting in or out, he was buried without the assistance of a Minister of the Church, but nevertheless in a Godly manner."

General Notes: The following suggests Joseph and Jane arrived in NZ late 1878 or early 1879. This would fit with no birth being found in England for Emelette and also with the newspaper item stating Jane's new job before they arrived by ship in 1882 from Melbourne. It is possible that they went to Melbourne from NZ without the children.

"One thing I noticed is Joseph Doar, oldest son of William and Sarah Baguley. In New Zealand the records the family have are very precise. Joseph was born 1841, married Jane Jarvis b.1843. They left Stanton by Dale on Saturday 24th August 1878 and sailed to New Zealand in 'Waitara' arriving at the Bluff 6th December 1878. They never returned to England. " [GL 2005]

Descendants of Sandiacre Doars

...and from Chris Andrew (2005)

I was sent the following by someone in NZ who found it in a book on Hawkes Bay:

"Albert FLETCHER was born 5 Apr 1875 in Pendle Hill, Hawkes Bay, New Zealand to Samuel FLETCHER and Harriet LOMAS. He died 7 Jun 1909 in Waipukurau, New Zealand and was buried 1909 in Pendle Hill Cemetery, Hawkes Bay, New Zealand. Albert married Lilian Rachel DOAR, daughter of Joseph DOAR, in New Zealand. Lilian was born 1878. She died 27 Aug 1970 and was buried 1970 in Pendle Hill Cemetery, Hawkes Bay, New Zealand."

"Next to them is Joseph Doar, Lilian's father, who, with his wife and children, had emigrated from Derbyshire, England. He died in 1898 at Pendle Hill when the river was in full flood. As there was no way of getting in or out, he was buried without the assistance of a Minister of the Church, but nevertheless in a Godly manner. The Blackburn Postmistress, who knew the address of all those corresponded to by the locals, made it her business to write to Mr Doar's relatives in England telling them he was buried no better than a dog. Consequently, her mischief-making prompted his relatives to cut his wife and her two daughters out of their will.

"Mrs Doar's grave is nearby. She taught at several local schools, including Tikokino and Blackburn, and was held in very high regard by pupils, parents and School Inspectors. She died in 1920, and buried near her and her husband is their grandchild, infant daughter of Emmellette Morrison."

Noted events in his life were:

- He worked as a Farmer in 1871 and resided at Stanton by Dale.²¹⁸
- He emigrated on the Waitara to New Zealand arriving at the Bluff 6th Dec 1878 after leaving on 24 Aug 1878 from Stanton by Dale.
- He immigrated or returned to Hawkes Bay on the Arawata from Melbourne arriving on 14 Jan 1882.³¹¹ The local newspaper, The Hawkes Bay Herald, records shipping arrivals:

General Notes: From Chris Andrew (candrew AT kingston.net) via David Hallam:

This fits with the items from Emelette's obit: "Mr and Mrs F Mitchell (Nottingham)" and amongst the mourners: "Fred Mitchell (Nottingham)"

Fred MITCHELL was born in Hyson Green in 1878, son of William and Mary MITCHELL. They were living on Beaconsfield Street in 1901 and at the time Fred had set himself up in a business manufacturing and selling bicycles. He soon turned his attentions to automobiles and became a dealer for Triumph Motors. Over time he became a very successful businessman and eventually entered politics. By 1943 he was the Lord Mayor of Nottingham.

In addition to his automobile business, Fred also had a dream of owning his own golf course. He bought a property in Beeston where he built a large house and then next bought Bramcote Manor Farms and by 1823 he had turned the land into a golf course.

From <http://addicted2golf.co.uk/>

Beeston Fields Golf Club, Old Drive, Beeston Fields, Notts, NG9 3DD

The clubhouse was built as a country home in 1837. It was latter purchased by Harold Bowden, later Sir Harold, who was founder and chairman of the Raleigh Cycle Company. In 1923 it was purchased by Frederick Mitchell, who latter became Alderman, and in 1943 the Lord Mayor of the City of Nottingham. After purchasing the adjacent farmland to add to the estate he appointed Tom Williamson to design a golf course. The course originally extended over 150 acres, but whilst the overall area is now somewhat less, following the wartime reclamation of land, it still enjoys a spacious "feel" and has benefited from the post-war redesigning.

- 379 M v. **George Gibbon CARRINGTON** [4535]¹¹⁷ was born in 1906 and died in 1945 at age 39.

General Notes: In 1977 The Sandiacre Cricket Club published the book "100 Years of Cricket". This contains several references to A.C. Doar who was both President of the Cricket Club and Governor of The Sandiacre Board School opened on 2 Dec 1878. He was clearly an influential member of the local community. The Carrington's were also noted for their cricket prowess and support of the club over that period. My uncle George Gibbon Carrington, a noted bowler was playing for the club up to 1939.

.....Another son George volunteered in the 2nd World War and joined the 78 Bty.35 Lt.A.A. Regt.,Royal Artillery as an old man (33). He was placed in a unit set up to defend airfields and oil installations. These included Dutch oil fields in the Far East. He was unfortunately captured when his troop ship arrived at Singapore.

He survived the war as a Japanese P.o.W only to die on the 5 Sept 1945 at Pakanbaroe Railroad Camp (338c) Camp 3. Sumatra. His next of kin was told that he died of Beri Beri but it now is alleged many P O Ws were executed by their Korean and Japanese guards after Japan had surrendered in order to hide the war crimes committed by their captives. A photograph of the Commonwealth War Cemetery, Djakarta, Indonesia where he is interred Plot 2, Row B Grave 3. is published on <http://www.cofepow.org.uk/rememberance/cemeteries/html.Indonesia.htm>

I have carried out research at the Public Records Office, Kew, London but there are no U.K. intelligence reports from that Camp other than Japanese records of his number, rank, and name. It is rather significant that a number of P o Ws died of Beri Beri a few days after the surrender of Japan . [George Morley 2007]

William Dore son of Joseph Dumelow & Milly Dore B.B.Baptised May 19th.
Then in the Sandiacre parish records a few months later -
William the son of Milsent door was born the 12 of May and baptised the 18th of September.
I put this to Jenifer and Ernest at the time and we couldn't understand why William was baptised twice but he is one and the same. Maybe they kept quiet about the baby at first and then Millicent wanted him baptised in her own local church. Anyway he knew later in life that he was born in Long Eaton (1861 Census).

445. Georgina Lyons 2005, Email 20050318. One thing I noticed is Joseph Doar, oldest son of William and Sarah Baguley. In New Zealand the records the family have are very precise. Joseph was born 1841, married Jane Jarvis b.1843. They left Stanton by Dale on Saturday 24th August 1878 and sailed to New Zealand in 'Waitara' arriving at the Bluff 6th December 1878. They never returned to England. Joseph died 1899 and Jane died in 1925. Jane was a schoolteacher and taught out there and Joseph was a farmer. Just before they married in S b Dale Joseph was working out at Car Coulson where the famous cream cheeses come from! Ann was definitely his Grandmother as they mention her. Joseph was the first of twelve children so perhaps it got a bit crowded at home! There are many of their descendants living in NZ today.

Annie was in Clawson, Leics in 1871. Visiting with her was her mother, Sarah, and her sister Margaret. Her daughter Ellen, age 3, was with Elizabeth BAGULEY in Stanton by Dale. Elizabeth was Annie's grandmother. Joseph was in Stapleford, Notts, working as a Lace Warehouseman.

In 1881, Annie was with her husband and three children on Woodborough Road, Nottingham. Although the marriage entry on Free BMD says Joseph Thomas WHITELEY, in the 1881 census his name was written as John Thomas WHITELEY. He said he was 34 in 1881. Their son Edward was with his grandparents, William and Sarah DOAR in 1881.

WHITELEY Ada Maud Mar 1872 Shardlow 7b 402

WHITELEY Edward Joseph Jun 1874 Shardlow 7b 430

In 1891, Annie was working as a Lady's Maid in Wargrave, Berkshire. Her daughter Ada Maud and son Edward Joseph were boarding in Nottingham with Lucy A SPEED. There is no John or Joseph on the 1891 census but there is a J.T. WHITELEY, lodging at the "Old Original Dog & Partridge Inn" on Lower Parliament Street, Nottingham. He was described as married and his occupation was a commission agent.

On Sunday afternoon last, the remains of Mrs Andrew, wife of Mr George Andrew, of Leighton House (whose death we recorded last week), were very quietly interred in the Park Cemetery, in the presence of a considerable gathering of relatives and personal friends. The first part of the service was held in the Parish Church, in connection with which the deceased lady had been a regular and consistent worker for many years. The service was taken by the Vicar (Rev A W Bell), the lesson being read by the Curate (Rev C C Fogarty). The coffin was of unpolished oak, with antique copper appointments. The bearers were four employees, viz Messrs F Bostock, F Hutton, J Hancock, and F Wakeling. The mourners were Messrs G Andrew (husband), William and Alfred Andrew (sons), Fred Benville (son in law, Liverpool), Fred Mitchell (Nottingham), Arthur Bailey (Beeston), Henry Taylor (Bramcote), E Whiteley (Grantham), Harold Doar (Stanton)(nephew), A Heeson, H Thompson, and Wm Wetton. Over 30 wardens and sidesmen of St Mary's, with Mr Knowle Smith and Mr Geo Daybell, also followed in the cortege, and in the church were Dr Wood, Mr E Trueman, and many personal friends and sympathisers.

499. Chris Andrew (candrew AT kingston.net). Hi David:

Please pass this along to Rob ASAP. I am sure he will find it very interesting.

I was looking for Harold Mark William DOAR, youngest son of William and Sarah and he has completely disappeared from England. So, on a gamble, I tried the new transcription site for the Canada 1901 census. Up came a Harold DOAR with a 7 year old daughter, Margaret. He was a farmer. He said he was born in England on 13 Oct 1861 which is a bit off for a Mar q 1862 registration but one or the other could be an error. Either the date he gave or the registration could have been late. He said he was single but with a daughter using his surname that may also have meant widowed. He did not say when he came to Canada although that was one of the questions in 1901.

Anyway, they were living in Portage la Prairie, Manitoba. This province has started putting their historical BMDs online so I tried the site and this is what I found:

Harold Mark William DOOR (sic) Jessie FRASER married in Portage la Prairie on 29 Mar 1893

Margaret Dorothy DOAR Born Portage la Prairie on 13 Feb 1894 Mother's maiden name FRASER

Jessie FRASER Died Portage la Prairie on 20 Jun 1897 Age 30

Then Harold and Margaret show up in the 1901 census for Portage la Prairie

Harold Mark William DOAR Sarah Adeline LAWLAS Married 08 Jan 1906 RM Louise (don't know what that means - have to check into it)

Margaret Dorothy DOAR William Lyle McLEAN Married 15 Nov 1915 in Louise

What do you think of that? Research in Canada has finally made a huge breakthrough with the sites that are becoming available.

I think we should take a look at William DOAR's probate info in the calendars. Harold may have moved to Canada because he inherited money from his father.

Have fun with this Chris.

I have saved the two birth certificates and will send them to you later today. The marriage entry gives a reference only but when I get to the LDS library I will see if they have the appropriate film in stock which will enable us to get a photocopy of the marriage. Traditionally both names of the parents as well as place of birth would appear on a marriage cert. This should help us to know if this was the right William.

886. Web (Misc), <http://www.myrasplace.net/hstones/hkaeo.htm>. Kaeo is located on the upper reaches of the Whangaroa Harbour, in Northland. It became an important early settlement, and provided local government services for many years, particularly during the period of settlement characterised by coastal transport. In this respect it mirrors the development of Mangonui, to the north. As the timber was largely cut out, and farming commenced, roads were established and the importance of Kaeo was less.

Nowadays it is a small village tucked into a green valley at the very top of the magnificent harbour. When one takes the road north it is necessary to turn sharply left and over the river to ease around that same harbour. Most travellers will remain unaware that a short distance out past the mangroves, on the gravelly bars and sandbanks, the 'Boyd' was burned after the crew had been massacred.

The cemetery records shown are an amalgam of those provided by a generous reader, plus elements we have added from data to hand. We have not personally sighted the cemetery at this time (2003). Many of the families buried here are also recorded in Gwenyth Frear's books on Totara North.

1097. Ibid. Working with all of the info we found last night, I think we can say that the Bancrofts were from the Ilkeston area. Attached is the WWI draft card for their son William Henry where he says he was born in Ilkeston. He did not provide next of kin information which leads me to think that a) his parents had died or b) left the country, since I cannot find them in 1920. William is not on the 1930 census, as far as I can tell.

They apparently emigrated about 1889 so do not appear on the 1891 UK census. In 1910 the names were William and Jane. I found a couple in 1881 who seem to fit.

BANCROFT William Shardlow 7b 847
BROADHURST Samuel David Shardlow 7b 847
CLIFFORD Millicent Phoebe Shardlow 7b 847
PERRY Jane Shardlow 7b 847

Samuel Broadhurst and Millicent are on the 1891 census, thus eliminating them.

I wanted to try to figure out who these people were as I felt that either a friend or a sister would have been geographically connected to Frederick Doar and we should be able to find something in an earlier census.

The children named in the 1900 census were Gertrude and William BANCROFT.

Births Dec 1885 BANCROFT Gertrude Lizzie Basford 7b 135
Births Jun 1887 BANCROFT William Henry Basford 7b 164

I didn't find Gertrude after 1900. She appears to have married as the Bancrofts have a grandchild with them in 1910.
